# THE CHOICE FOR ALL GUESSWORK OUT, FLEXIBILITY IN

The perfect drinks menu... it's an art we've mastered. When it comes to knowing the drinks that go, think of FLAVIA® as your own, private expert.

Here's how our approach to menu creation helps you get just the right FLAVIA® menu for your organisation:

**STEP 1** – The FLAVIA® range is divided into four categories reflecting how people choose drinks – sometimes by function, sometimes by mood. Against each category there is an ideal number of drinks to list – **6x Freshground Coffee**, **3x Total Indulgence**, **3x Real Leaf Tea** and **3x Wellbeing**.

	coffee	3		wellbeing
6	indulgence	3		wellbeing
	indulgence	3	tea	3

**STEP 2** – The majority of drinks are allocated 'Must have' or 'Options' status.

**STEP 3** – You select all 'Must have' drinks in each category and then your choice from the 'Options'.

You can adapt your menu as time goes by – always swapping from the 'Options' selections and leaving the 'Must have' drinks in place.

The right choice for all made simple.

## WHY COFFEE?

By choosing six of our great coffees you can truly cater for all tastes.

- Coffees from around the globe, from single origin Colombia to sustainable coffee that supports small scale farmers.
- A range of strengths: The ever popular Smooth Roast to the powerful caffeine kick of Espresso Roast and, of course, a decaffeinated option.

## WHY INDULGENCE?

Who doesn't deserve a treat now and then?

- Offering CREAMY TOPPING™, MARS® Swirl\* and Choco allows everyone to devise their own indulgent creations.

## WHY TEA?

After water, tea is the most widely consumed drink in the world. And FLAVIA® caters for all tastes, from the well loved FLAVIA® English Breakfast to Earl Grey and more.

## WHY WELLBEING?

A rising trend towards healthy lifestyles is reflected in FLAVIA® Wellbeing drinks – particular favourites include:

- RASPBERRY SPARK™ – enjoyed as a 'perk me up' alternative to coffee.
- Green Tea with Jasmine – subtle tasting, easy drinking and reflecting the soaring popularity of green tea in the UK.
- Delicious BLUEBERRY BALANCE™ with the functional benefits of Echinacea.

## BRIGHTER TOMORROW

Ethical business practice runs deep at FLAVIA®;

**Sustainability** – offering options such as KENYAN DAWN™, a coffee that helps small scale farmers.

**Trading** – a commitment to trade fairly and decently with all our suppliers.

**Environmentally sensitive production** – from raw material to finished product.

**Recycling** – from packaging to cups through to the disposal of drinks stations, we set the standard.
